## MINUTES OF MEETING PARK CREEK COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Park Creek Community Development District was held on Thursday, **September 14, 2023** at 6:00 p.m. at the Fairfield Inn & Suites Tampa Riverview, 10743 Big Bend Road, Riverview, Florida.

Present and constituting a quorum were:

Dreama Long Chairman
Vinoo Naidu by Zoom Vice Chairman
Ryan Watkins Assistant Secretary
Mark Savino Assistant Secretary
Daniel Hilburn Assistant Secretary

Also Present were:

Jason Greenwood District Manager, GMS

Brian Young GMS Mick Sheppard GMS

Vivek Babbar District Counsel

#### FIRST ORDER OF BUSINESS Roll Call

Mr. Greenwood called the meeting to order and called the roll. Four Supervisors were present at the meeting constituting a quorum. Mr. Naidu joined via Zoom.

SECOND ORDER OF BUSINESS Supervisors Requests and

Audience Comments on Specific Items on the Agenda

#### **Supervisors Requests**

Mr. Naidu asked that they later on vote on the current structure of Board Directors.

#### **Audience Comments**

Mr. Young asked that the resident suspension under place be lifted after further conversation occurred. The banned residents gave their comments, explaining what happened regarding the birthday party incident. He also noted that the ban was against policy, as the policy states that a warning is for first time offenders and suspension is for second offenses. This had been the resident's first time, and then noted he was suspended a second time for something that was a misunderstanding. Mr. Naidu agreed with the resident and asked that the ban be lifted immediately. He also apologized to the family but reminded them that, in the future, residents are required to make a reservation when using those types of amenities at the CDD.

On MOTION by Ms. Long, seconded by Mr. Savino, with all in favor, the Lift of the Resident Suspension, was approved.

#### THIRD ORDER OF BUSINESS

### **Approval of the August 10, 2023 Meeting Minutes**

Mr. Greenwood presented the regular Board meeting minutes from August 10, 2023. There were no corrections to the minutes.

On MOTION by Mr. Long, seconded by Mr. Naidu, with all in favor, the Minutes of the August 10, 2023 Board of Supervisors Meeting, were approved.

#### FOURTH ORDER OF BUSINESS

## Discussion of Amenity Rental Fee Change & Setting a Date for the Public Hearing

Ms. Long explained that the rental fee for residents was currently \$300, while nonresidents had to pay \$300 down plus \$25 an hour. She added that the deposit gets returned to the nonresident at the end of use if there is no damage. Mr. Greenwood noted that there was a resident that thought that there was a fine issue but clarified that there wasn't one. The Board confirmed that the above language was stated in the policy, but that they would specify that the \$25 and hour was for nonresidents only.

The Board decided to set the date of the public hearing for the November 9<sup>th</sup>.

On MOTION by Mr. Hilburn, seconded by Ms. Long, with all in favor, Setting the Public Hearing for November 9, 2023, was approved.

#### FIFTH ORDER OF BUSINESS Staff Reports

#### A. Attorney

Mr. Babbar stated he had nothing to report but would be happy to answer any questions.

#### **B.** District Engineer

Mr. Greenwood noted that the nature trail had not been completed yet because there was an issue with one of the vendors.

#### C. Sitex Aquatics

It was noted that the Forest Brooke CDD needed to be removed from the report.

#### D. Field Manager

Mr. Sheppard gave his report, noting that the pergolas at the front of the CDD had been sealed, as well as the trail benches being repaired. He also added that the amenity pool furniture had been repaired as well, however Ms. Long noted that there were two chairs in the closet by the pool that needed to be repaired as well. In-progress items included the installation of sod, bathroom floors, the trail project, and the pool rule sign. Ms. Long discussed issues that she has seen around the CDD as far as maintenance, and those included people stealing plants at the front of the entrance, as well as the culvert next to the trail was collapsing.

#### E. Amenity Manager

Mr. Young reviewed his report, noting that they were still trying to find a replacement for Rachel. Mr. Greenwood noted that Ms. Long had put in her application and resume to become the new amenity manager, and that if that did happen, she would resign from the Board. Discussion ensued about the Board seats and the appointment of

new Board members, and they decided that they would discuss further at the next meeting and would keep accepting resumes.

#### F. District Manager

Mr. Greenwood made comments about accomplishments in the field.

#### SIXTH ORDER OF BUSINESS

#### **Financial Reports**

#### A. Approval of Check Register

Mr. Greenwood presented the check register and asked for a motion to approve.

On MOTION by Mr. Naidu, seconded by Mr. Savino, with all in favor, the Check Register, was approved.

#### **B. Balance Sheet & Income Statement**

Mr. Greenwood presented the balance sheet and income statement.

#### C. Special Assessment Receipt Schedule

There were no further questions.

#### SEVENTH ORDER OF BUSINESS

### **Supervisors Requests and General Audience Comments**

#### **Supervisors Requests**

Supervisor Naidu asked that they vote on the Board structure, and Mr. Greenwood replied that they would do that at the next meeting.

#### **Audience Comments**

Audience comments were made on the election process would work as far as terms and policies. Another resident expressed his concern about lack of communication with CDD management, and it was later explained that there was an email issue. Comments were also made on lawncare maintenance.

#### **EIGHTH ORDER OF BUSINESS**

Next Regularly Scheduled Meeting is October 12, 2023 at 6:00 p.m. at Fairfield Inn & Suites, Riverview

Mr. Greenwood reported the next regularly scheduled meeting will be held on October 12, 2023 at 6:00 p.m. at the Fairfield Inn & Suites, Riverview.

#### NINTH ORDER OF BUSINESS Adjournment

Mr. Greenwood asked for a motion to adjourn the meeting.

On MOTION by Ms. Long, seconded by Mr. Hilburn, with all in favor, the meeting was adjourned at 7:34 p.m.

Park Creek Community Development District nviverito@gms-tampa.com

#### 🔾 TO WHOM IT MAY CONCERN,

My name is Stephen Hanily, I have lived at 10313 Riverdale Rise Dr since 2018. Recently I saw the posting on the Park Creek Facebook page for an opening on the Park Creek Community Development District (CDD) board. My extensive background training and experience in the criminal justice system has given me extensive knowledge and skills that I believe would make me a valuable addition to your team.

I have approximately 20 years of experience with governmental organizations, more specifically, the criminal justice system, working in various roles in the forensic crime lab. Currently I am the Forensic Quality Manager (FQM) for the Hillsborough County Sheriff's Office (HCSO) and before my time with HCSO, worked a variety of roles within the Florida Department of Law Enforcement (FDLE). My time with both agencies has taught me how to thrive within both state and county government systems. My experience within these agencies is not limited to the laboratory. During my tenure at FDLE I was also a member of the FDLE Management Support Team (FMST) logistics and deployment teams. FMST would coordinate law enforcement resources to areas that were affected by natural or man-made disasters. I would also deploy to the area once it was deemed safe, to assist law enforcement and local assets.

Throughout the community I have always been willing to help my fellow neighbor and was one of the original members of the Park Creek community watch. I wish further increase my involvement by becoming an active board member in the Park Creek CDD.

I wish to share my experience and knowledge with the Park Creek board and its residents, with the hope of making the community a better place for its residents. Thank you for your consideration, and I look forward to the opportunity to further discuss how I can contribute to the Park Creek CDD.

Thanks, Stephen Hanily

Board of Supervisors Park Creek Community Development District 4530 Eagle Falls Place Tampa, FL 33619

We are pleased to confirm our understanding of the services we are to provide Park Creek Community Development District, Hillsborough County, Florida ("the District") for the fiscal year ended September 30, 2023. We will audit the financial statements of the governmental activities and each major fund, including the related notes to the financial statements, which collectively comprise the basic financial statements of Park Creek Community Development District as of and for the fiscal year ended September 30, 2023. In addition, we will examine the District's compliance with the requirements of Section 218.415 Florida Statutes. This letter serves to renew our agreement and establish the terms and fee for the 2023 audit.

Accounting principles generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the District's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Budgetary comparison schedule

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that information:

1) Compliance with FL Statute 218.39 (3) (c)

#### **Audit Objectives**

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the District and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the District's financial statements. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the financial statements is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the District is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

#### **Examination Objective**

The objective of our examination is the expression of an opinion as to whether the District is in compliance with Florida Statute 218.415 in accordance with Rule 10.556(10) of the Auditor General of the State of Florida. Our examination will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and will include tests of your records and other procedures we consider necessary to enable us to express such an opinion. We will issue a written report upon completion of our examination of the District's compliance. The report will include a statement that the report is intended solely for the information and use of management, those charged with governance, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the District's compliance is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the examination or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

#### **Other Services**

We will assist in preparing the financial statements and related notes of the District in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

#### **Management Responsibilities**

Management is responsible for compliance with Florida Statute 218.415 and will provide us with the information required for the examination. The accuracy and completeness of such information is also management's responsibility. You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. In addition, you will be required to make certain representations regarding compliance with Florida Statute 218.415 in the management representation letter. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Management is responsible for designing, implementing and maintaining effective internal controls, including evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

#### Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

#### **Audit Procedures—Internal Control**

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

#### **Audit Procedures—Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

#### **Engagement Administration, Fees, and Other**

We understand that your employees will prepare all cash or other confirmations we request and will locate any documents selected by us for testing.

The audit documentation for this engagement is the property of Grau & Associates and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Grau & Associates personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. Notwithstanding the foregoing, the parties acknowledge that various documents reviewed or produced during the conduct of the audit may be public records under Florida law. The District agrees to notify Grau & Associates of any public record request it receives that involves audit documentation.

Furthermore, Grau & Associates agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, Florida Statutes. Auditor acknowledges that the designated public records custodian for the District is the District Manager ("Public Records Custodian"). Among other requirements and to the extent applicable by law, Grau & Associates shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Auditor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Grau & Associate's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Grau & Associates, Grau & Associates shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

IF GRAU & ASSOCIATES HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT: C/O GOVERNMENTAL MANAGEMENT SERVICES – CENTRAL FLORIDA LLC, 4530 EAGLE FALLS PLACE TAMPA, FL 33619, OR RECORDREQUEST@GMSCFL.COM, PH: (407) 841-5524.

Our fee for these services will not exceed \$3,500 for the September 30, 2023 audit, unless there is a change in activity by the District which results in additional audit work or if additional Bonds are issued. This agreement is automatically renewed each year thereafter subject to the mutual agreement by both parties to all terms and fees. The fee for each annual renewal will be agreed upon separately.

We will complete the audit within prescribed statutory deadlines, which requires the District to submit its annual audit to the Auditor General no later than nine (9) months after the end of the audited fiscal year, with the understanding that your employees will provide information needed to perform the audit on a timely basis.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Invoices will be submitted in sufficient detail to demonstrate compliance with the terms of this agreement. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate.

The District has the option to terminate this agreement with or without cause by providing thirty (30) days written notice of termination to Grau & Associates. Upon any termination of this agreement, Grau & Associates shall be entitled to payment of all work and/or services rendered up until the effective termination of this agreement, subject to whatever claims or off-sets the District may have against Grau & Associates.

We will provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2023 peer review report accompanies this letter.

We appreciate the opportunity to be of service to Park Creek Community Development District and believe this letter accurately summarizes the terms of our engagement and, with any addendum, if applicable, is the complete and exclusive statement of the agreement between Grau & Associates and the District with respect to the terms of the engagement between the parties. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Grau & Associates

### SUMMARY:

All ponds have been serviced this month. Hopefully we are moving into some cooler weather and as a result the lack of consistent rainfall won't be such a factor in the ponds. When water temperature reduces so does the ability for rapid growth. Until we notice a significant decrease, preventative service as well as aggressive applications to maintain aesthetics and function will continue to be consistent with this crazy summer we have had.

### PARK CREEK- SWIMMING POOL CLEANING, MAINTENANCE AND CHEMICAL SERVICES

Brian,

Aqua Sentry is pleased to submit a bid for the maintenance and cleaning of the 49,000 gallon swimming pool at Park Creek in Riverview. I visited the pool yesterday and as I stated the pool itself looked really good! I asked for the pool monitor to introduce myself but Rachel wasn't there at the moment. Went over to equipment area and was surprised by the amount of chemicals that were being stored there which we discussed. Brian as you are aware we currently service 60 other commercial properties in the Tampa, Brandon, Ruskin, and Apollo Beach areas as well as numerous properties in Riverview and could furnish references if necessary. Just some of the properties we service in the immediate area are

- Wilson Preserve-7 years
- Reserve at Pradera-6 years
- Southfork-5 years
- The Landing-6 years

Aqua Sentry services has been in business over 9 years and specializes in commercial and residential pools in the Tampa, Brandon, Ruskin and Sun City areas. In fact, in 2019, 2020, and 2021 we were voted "BEST COMMERCIAL POOL COMPANY" by Riverview Today magazine. My entire team of 6 pool techs and two CPC repair people are CPO certified and we also carry the correct commercial limits on Liability, Auto, and Workers comp insurance. One of the things that Aqua Sentry prides themselves on is that we are available by phone, text, or email for any questions or emergencies at all times. Per our conversation the pool would be serviced on a 4x a week schedule but can be negotiated if need be.

#### **Description of Services**

Aqua Sentry will provide maintenance, cleaning and chemical service for the above pool, and associated equipment (Pumps, DE Filtration system, Stenner pumps, auto fill, etc.). The services shall consist of all labor and chemical supplies (Chlorine, Sodium Bicarb, and Muriatic Acid). Algaecide and Phosphate Remover are used rarely but they are a separate charge. Your assigned technician will maintain the pool and ensure water quality continues to meet or exceed all the appropriate Federal and State standards and guidelines, and in accordance with Florida Administrative Code (F.A.C.) 64-E9.008 Operational Requirements

Your assigned technician will create a site binder containing standard operating procedures (SOPs), CPO certificates, chemical logs, checklists, contact information etc and they will be maintained in the equipment enclosure. Your technician shall maintain documentation of:

a. Tile Maintenance - spot cleaning and scrubbing

- b. Vacuuming of Pool and pool filtration system cleaning
- c. Chemical usage
- d. Flow meter readings
- e. Preventive Maintenance Inspections of the pool
- f. Water chemical levels and actions taken if levels out of range

The technician shall conduct preventive maintenance/inspections (PMI) to sustain the water quality of the pool while limiting service interruptions. Areas of emphasis include all pool, filtration systems, pump room cleanliness and the immediate area surrounding the pools. During service visits, the technician will:

- a. Perform water chemical analysis and adjust chemicals as required.
- b. Vacuum and brush to remove any debris as required to eliminate dirt, scum, scale, calcium, algae, and any other harmful deposits from the water including seating area, steps, walls and surface of pool.
- c. Clean tile at water line as required.
- d. Empty pump and skimmer baskets and or clean gutter system.
- e. Monitor chemical feeding systems and test water to confirm proper disinfectant levels
- f. Inspect equipment for leaks, clogs, and other malfunctions.
- g. Provide on-going communication and documentation with site management regarding condition of pools.
- h. Records/logs: Your technician shall maintain daily service and testing log of appropriate sampling and analysis to ensure compliance with all regulatory requirements.

**Chemicals:** Aqua Sentry will be responsible for, supply and proper storage of all chemicals required for maintaining the pool's water quality. The technician shall comply with all Federal, State, local, industry safety, health standards, regulations and facility guidelines regarding handling and transportation of chemicals

#### Assumptions and Limitations:

- · All work will be completed by professional individuals duly licensed to perform the work.
- All Aqua Sentry technicians who service public pools are CPO certified per Florida Administrative Code 64E-9.018. https://www.flrules.org/gateway/ruleno.asp?id=64E-9.018
- Agua Sentry is duly licensed in Hillsborough County Florida to perform all quoted work Folio #266768
- · Aqua Sentry shall not be liable for any delay in completing services due to circumstances beyond its control.
- Either party may cancel this agreement with a 30-day notice (email, or letter).

#### Pricing and Billing:

- · All pool cleaning and maintenance service prices include chemicals and labor. The only exceptions being the cost of phosphate remover or algaecide which are rarely used but are an additional expense.
- For 4x a week service the monthly rate would be \$1695. For months with more than 16 visits each additional visit would be billed at 1695/12=\$105.95
- We bill on the 1<sup>st</sup> of each month and all payments are due by the end of the month. Payments more than 15 days late after bill due date will be accessed a late fee of 10% of total bill. If account becomes 3 months past due the past due amount will be turned over to collection company and the account will be responsible for all collection cost up to and including legal expenses.
- Fecal Incident Response (FIR), Equipment replacement and other repairs will be done as time and material projects at our current service rate of \$125.00 per hour. Any such projects would be submitted with estimates for approval before commencing with any work.

West Coast Aquatics is providing Park Creek with a full-service cleaning and maintenance program.

We will spend adequate time doing the daily cleaning and maintenance of pools, there is no set time to get the job done (if a storm comes through and it takes several hours above normal to finish, no extra charges are incurred)

In the event of an emergency, one of our staff members will be on site within 3 hours of notification. WCA will ensure the pools are always safe, clean, and sanitary for the community of Waterleaf.

Under the terms of this agreement WCA will not be held responsible for any staining of plaster. Since plaster is composed of natural materials, a certain amount of shading, staining, and color variation is to be expected. Different forms of staining do occur in all pools and with proper chemistry can be held to a minimum.

Monthly service includes.

Chemicals (Bleach, Acid, Sodium Bicarbonate, CYA, Filter Powder)

**Chemical Tanks** 

Pool and Spa controller (CES or Prominent)

RE: Park Creek CDD Amenity Management Report – October 26, 2023

The following is a summary of events and items related to the amenity management and maintenance management of Park Creek CDD.

#### **Amenity Updates**

Sept 1st to 30th there were 427 unique users. This does not include if residents brought guests.

H2O pools worked on sump pump connecting sail to prevent pump area from flooding and damaging electrical.

Fire extinguishers inspected.

Obtained three pest control proposals for Amenity Center.

Incidents at Amenity Center.

Keeping Mick updated with the trail.

Recommendations provided of items that need to address at Amenity Center by staff.

Upcoming event Oct 28 Fall Party hosted by Crossing Church coordinating with Amenity Staff.

#### **Conclusion**

For any questions or comments regarding the above information or for any future maintenance requests and concerns please contact dlong @gms-tampa.com.

Respectfully,

Dreama Long

#### List of Recommendations to be addressed:

1. Gate between the playground and pool area not always shutting needs adjusting.

#### 2. Cabanas:

- a. needs power washing- mold
- b. rotting wood on pergola of cabana
- c. ant infestation on one of the columns of cabana
- d. repair to backside of cabana trim piece down
- e. Paint peeling needs painting
- 3. Brick sticking up near the pool on the pool deck east side needs to address potential fall risk by covered metal box.
